I. Dr. Lowell called the meeting to order at 6:03pm (ET)

II. Review April 17, 2025 meeting minutes

There was a motion to approve the April meeting minutes, Seconded, Approved.

III. Unfinished Business:

A. AADPRT Partnership

Dr. Lowell met with the AADPRT Curriculum Chair, Ronke Babalola, who is interested in the Committee's educational materials as a curriculum submission. AADPRT would like to link the Society's website to their website. There was agreement on the benefits including a boost to SEO and Society visibility.

There was a motion to allow AADPRT to add a link to the CTMSS website on their website, Seconded, Approved.

Action Item- The Executive Office will find out if approval is needed by the Board of Directors and notify the Committee chairs of next steps.

IV. New Business

A. Committee Goals – Initiate discussion on 2025-26 objectives

The Committee discussed goals for next year and finalized the list:

- Maintain Grand Rounds and grow the sub-committee by 1-2 people.
- Continue work on the Basic Brain Networks/Functional Neuroanatomy and Connectivity Slide Deck with base definition of functional imaging.
- Continue work on a TMS for Technicians and Nurses Slide Deck.
- Regularly update the Recommended Bibliography for TMS Providers and the list of Neuromodulation Fellowship Programs. Adam Chan to lead updates annually with input from others.
- Coordinate with the Membership and Outreach Committee to translate educational materials into other languages.
- Create a slide deck for MA/PhD level therapists. Dr. Segal to upload existing materials to the project folder.
- Consider creating a survey to understand psychiatry residents' perceptions, knowledge, and attitudes about TMS.

There was a motion to add "Consider a survey to understand psychiatry residents' perceptions, knowledge, and attitudes about TMS" too the goal list, Seconded, Approved.

Action Item- Dr. Harvey and Dr. Lowell will include the new goal list with the next Committee report to the Board of Directors.

V. Task Force and Sub-Committee Updates

A. Residency Task Force

There was agreement to update the Recommended Bibliography for TMS Providers and the list of Neuromodulation Fellowship Programs. Adam Chan to lead updates annually with input from others.

There was discussion to move the list of Neuromodulation Fellowship Programs in front of the paywall to increase visibility and accessibility for residents and encourage residents to join the Society.

There was a motion to put the list of Neuromodulation Fellowship Programs in front of the paywall on the Society website to boost SEO and awareness, Seconded, Approved.

Action Item- The Executive Office will find out if approval is needed by the Board of Directors and notify the Committee chairs of next steps.

B. Basic Brain Networks/Functional Neuroanatomy and Connectivity Slide Deck Task Force

All agreed to include a base definition of functional imaging in the slide deck.

A course outline and slide deck template are in development.

The task force is working to establish a re-occurring meeting so work can continue.

Dr. Weber volunteered to assist on the task force.

C. Primary Care Task Force

There was a motion to post the Primary Care slide deck presentation recording on the website, Seconded, Approved.

Action Item- The Executive Office will find out if approval is needed by the Board of Directors and notify the Committee chairs of next steps.

Action Item- Dr. Lowell will contact the editor of the American Family Practice Journal.

D. Slide deck for TMS Technicians Task Force

The drafts have been uploaded to the shared project folder.

Dr. Gunderson volunteered to assist on the task force.
