I. Call to Order

M. Dokucu called the meeting to order at 6:04 PM ET.

II. Approval of Minutes

Motion to approve the minutes from the October 7 and October 21 committee meetings duly made, seconded, and approved.

III. Discussion Items:

Committee members discussed the potential extension of the Annual Meeting from a two-day meeting to a three-day meeting. It was advised that the Presidential Task Force has left this decision up to the Annual Meeting Committee. It was noted that an extension to three days would not be reflected until the 2028 meeting as the 2027 meeting is currently in the final stages of negotiation. The committee agreed to discuss this further at the next committee meeting.

The committee then reviewed the confirmed speakers. It was noted that Mark George has a scheduling conflict with the 2026 Annual Meeting but would be willing to give a pre-recorded,

shorter talk. Committee members agreed to move forward with a pre-recorded talk from Mark George but decide on the remainder of the session once the Visionary Award Winner is announced.

It was noted that only Leanne Williams and Joseph Taylor have sent their bios and headshots for marketing. Speakers Saydra Wilson, Alvaro Pascual Leone, and Daniel Ciampi de Andrade have not yet sent their bios and headshots.

The committee was advised that the 7 breakout slots will be filled by the submitted symposia. It was noted that there were 11 symposia submissions and reviews are being conducted by the Abstract Review subcommittee of the Research Committee. The Annual Meeting Committee will be advised once the decisions have been made by the Research Committee.

IV. Adjournment

M. Dokucu adjourned the meeting at 6:37 PM ET.

The next committee meeting will be held on November 18th at 3pm PT / 5pm CT / 6pm ET / 11pm BST.
